ESDGuns.com
ATTN: Rental Returns
7401 Galilee Rd. #160
Roseville, CA 95678

- RMA # not needed
- Ensure all accessories are present
- Pack the equipment securely
- Insure shipment accordingly
- Rentals end when received
- Equipment verified for functionality prior to rental termination

Rental Return Note

A Return Merchandize Authorization number (RMA #) is not required when returning rental test equipment. Include all accessories that accompanied the unit to avoid charges. Insure package for equipment value or your company's insurance deductible. Rental returns are processed within a week of return and the rental contract is backdated to the date it was received at the ESDGuns.com facility. After final inspection to determine no major physical damage, functionality problems and all accessories intact will terminate the rental contract.
